**MOTION TO RESCHEDULE HEARING**

Intervenors, Time Warner Communications of the Mid-South, Time Warner Telecommunications of the Mid-South L.P., and the Tennessee Cable Telecommunications Association ("Movants") respectfully move the Tennessee Regulatory Authority (the "Authority") to reschedule the hearing of this cause presently set for July 17 -20, 2000. The Movants make this request due to the fact that their sole expert witness and technical analyst/consultant, William H. Barta ("Mr. Barta"), will be unavailable to attend the hearing due to a prior commitment to appear before the Florida Public Service Commission ("FPSC"). Accordingly, the Movants request that the hearing be continued and scheduled for the next available week. In support of this motion, Movants would respectfully state and show to the Authority as follows:

1. Mr. Barta is the only expert witness to testify on behalf of these Intervenors.

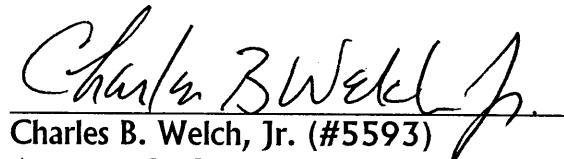

2. Mr. Barta's role as an expert is not limited to his presentation of testimony; he also serves as an information analyst and consultant, and his presence during the hearing is crucial to counsel's ability to represent the interests of the Intervenor.

3. Prior to the Directors' decision to schedule this docket's hearing for July 17 -20, 2000, notice of which was given on June 22, 2000, Mr. Barta had a prior obligation to testify before the FPSC in Docket No. 990649-TP (Permanent Pricing for UNEs).

WHEREFORE, the Movants respectfully pray that their Motion to Reschedule Hearing be granted, and that such hearing take place during the next available week.

Respectfully submitted,

FARRIS, MATHEWS, BRANAN,  
BOBANGO & HELLEN, P.L.C.
